

Volunteering with La Oportunidad is a chance to learn, grow, and contribute; by taking on roles and responsibilities such as:

- Co-facilitating an afterschool group of children, working alongside one of our experienced bilingual staff members to manage a classroom of 10-15 youth.
- Partnering with staff to brainstorm and develop weekly lesson plans for your group.
- Gaining practice using Spanish and English interchangeably in bilingual multi-cultural settings.
- Mentoring young adults through the process of applying for jobs or universities.
- Working with young children one-on-one or in small groups to develop early reading skills.
- Refreshing your own arts and crafts skills with glue sticks, paper mache, watercolors, drawing inside the lines, and laminating machines!

None of our programs would be possible without the help of volunteers — **LIKE YOU!**
